Comfort Care Bags

One of the many services Johnson County Hospice provides are Comfort Care Bags to each patient and family as they begin hospice treatment. These bags are designed to include those “extra” little items to help make our patients feel as comfortable as possible.

comfortable and compassionate care

- U Shaped Neck Pillows
- Wipes for sensitive skin
- Calmoseptine ointment
- Lip moisturizer
- Kleenex with lotion
- Hand lotion (perfume & dye free)
- Fuzzy socks
- swabs

Once you make the decision to begin hospice treatment with Johnson County Hospice, a skilled nurse will deliver a Comfort Care Bag at the first visit for treatment.

Comfort Care Bags are provided to our patients and their families at no additional cost thanks to the generous support from our communities and donors.
