Gifts of Remembrance

That yellow velour shirt your grandfather always wore, the patchwork quilt from your mother's bed, your son's favorite jeans. Always having a beautiful reminder of your loved one adorning your family room. At Johnson County Hospice, we know the importance of these memories and want to help preserve those for the family members of our hospice patients.

Memory Teddy Bears & Memorial Pillows

Memory Bears and Memorial Pillows are created from your loved one's article of clothing. Shirts, dresses, blankets, uniforms, sweatshirts, t-shirts, lightweight jackets, blouses, nightgowns, and bathrobes, are all suitable for creating a bear or pillow. These soft friends are designed to be admired, hugged and displayed to keep your loved one close to your heart.

Memorial Stepping Stones

A wonderful gift of comfort and remembrance. These stones are able to be hung from wall mounts and are a beautiful display of love and memory.

Once you make the decision of which gift of remembrance you would prefer a member from Johnson County Hospice will coordinate with the patient and/or family member for the gift and delivery.

Legacy videos are provided to our patients and their families at no additional cost thanks to the generous support from our communities and donors.
