Child Care Resources for First Responders, Health Care Workers, and Essential Personnel

If you are a first responder, health care employee, or other essential personnel working in response to COVID-19 and are in need of child care, email referralcenter@mo.childcareaware.org or call 866-892-3228 to find child care in your community.

You can also search online for child care at www.mo.childcareaware.org

Funding provided by the Missouri Department of Social Services, Children’s Division, Early Childhood and Prevention Services Section.
